High Performance RCA connector series

FP-110(G)

FP-110(G) Locking collet chuck type

Features:

- 24k Gold plated α (Alpha)-OCC Conductor center pin
- Copper alloy body and locking collet • Teflon insulation
- Connections: Soldered
- Specified for cable diameters up to 9.3mm
- Dimensions: 13.8mm \pm 0.1mm diameter x 54.4mm overall length

FP-160 (G)

FP-160(G) Locking collet chuck type

Features:

- 24k Gold plated α (Alpha) Eutectic cast copper alloy center pin
- Copper alloy body and locking collet • Teflon insulation
- Connections: Soldered
- Specified for cable diameters up to 9.3mm
- Dimensions: 14.8mm \pm 0.1mm diameter x 52.1mm \pm 0.1mm overall length

FP-104(G)

FP-104 (G) Locking collet chuck type

Features:

- 24k Gold plated α (Alpha) Eutectic cast copper alloy center pin
- Copper alloy body and locking collet • Teflon insulation
- Connections: Soldered
- Specified for cable diameters up to 8.3mm
- Dimensions: 13mm \pm 0.1mm diameter x 51.5mm \pm 0.1mm overall length
